Connected to Lucky Penny, the IT place for dinner downtown offering locally sourced family style farm to table.

THE BOATHOUSE AT HENDRY'S BEACH

Ocean side dining al fresco a bit removed from the city with great surf and turf and music of the ocean. Heat lamps outside for those chillier nights. Has that Nantucket vibe!

This Greek family run winery is a must featuring gorgeous Rhône + Burgundy style wines; a picnic style, relaxed outdoor tasting experience with a fun Greek bunch energizing the vibe! (Biodynamic)

Defines The Funk Zone (in my mind), TVPW sources from the best of SB's most unique sites creating some truly awesome single-vineyard, single-varietal wines from the region. Did I mention they have SIMON + a bunch of other games onsite?
